- Please note that all 10 classes must be attended to get your certificate of completion.
- The class is **free and open to the public** (pre-registration is required).
- Each person will receive a handbook and certificate of completion.
- Each person will be required to complete the online Covid 19 attestation form.
- Focus is **parenting children ages 1-12 years old**.
- Future courses will be offered in evenings and various locations. More info to be announced.

NURTURING PARENTING is a philosophy that supports children being raised in a caring home that nourishes their self-worth, promotes their sense of personal empowerment and cooperation, makes appropriate developmental expectations of them, teaches children that compassion is a family moral and value and generally treats children, and everyone else for that matter, in respectful, non-violent, dignified ways.
