To the best of my knowledge, the statements contained in this application, together with the plans and specifications and other supporting documentation submitted are a true and complete statement of all proposed work to be done on the described premises and that all provisions of the Building Codes, the Zoning Ordinance, and all other local, state, and federal laws pertaining to the proposed work shall be complied with, whether specified or not.

Further, unless specified or extended by the Planning and Zoning Board, a decision on any site plan review shall expire if the Applicant fails to undertake the proposed action or project, to obtain the necessary building permits to construct any proposed new building(s) or change any existing building(s) or to comply with the conditions of said authorization within one year from the filing date of such decision thereof.

The Planning and Zoning Board may employ consultants, legal counsel, professional engineers, and/or inspection services for their assistance and advice in the review of any application before it and for such purposes as the Planning and Zoning Board may require therefor, including but not limited to; on site investigation, evaluation and inspection, verification of the accuracy of information submitted, evaluation of the adequacy of plans, of the sufficiency of submitted reports; flood hazard evaluation; study of the impact of proposals upon the resources and environment of the Town; preparation and/or review of any environmental impact statements; review of the design and layout of improvements; inspection of installed improvements; and such other services or technical assistance as the Planning and Zoning Board shall deem necessary for its review of such application, and for the administration of the Town, County, State, and Federal regulations in relation thereto. The Applicant authorizes the Planning and Zoning Board, as it deems necessary, to employ such assistance and agrees to reimburse the Town for the costs and fees associated with any requested consultants to assist them in their review and consideration of the application, whether it be for either technical or legal purposes. When appropriate the Planning and Zoning Board shall have the authority to request a deposit from the Applicant for the cost and fees associated with consultants in advance of the review.

It is understood that the Applicant shall satisfy all requirements of the site plan approval or decision and conditions applicable to such prior to a Certificate of Occupancy or Certificate of Compliance being issued.
